MEDICINAL. NEW THOUGHTS.

Are you growing more attractive as you advance in life?

"Given a healthy body," says Dr. R. V. Pierce, the specialist in woman's diseases, of Buffalo, N. Y., "and a healthy mind, and everyone can cultivate and enjoy happiness."

We must eat properly and digest well to be beautiful. It is a fact that any form of dyspepsia may in a few days transform a clear, white skin into a mass of pimples and black spots. A beautiful woman has the beauty of her stomach.

Dr. Pierce's Golden Medical Discovery maintains a person's nutrition by enabling one to eat, retain, digest and assimilate the proper nutritious food. It overcomes the gastric irritability and symptoms of indigestion, and thus the person is saved from those symptoms of fever, night-sweats, headache, etc., which are so common. A tonic made up largely of alcohol will shrink the corpuscles of the blood and make them weaker for resistance.

"This is to certify that I have used Doctor Pierce's Golden Medical Discovery, think it is the greatest medicine in the world," writes Mrs. V. M. Young of West, W. Va. "I had dyspepsia in its worst form. I decided to try your medicine. I used five bottles, and now I am doing my own housework. A number of my friends also are using Dr. Pierce's medicine and they recommend it highly. May God bless you in your grand work."

Dr. Pierce believes that a tonic made with alcohol will shrink the red blood corpuscles and make the system weak for resistance; that is why he avoided the use of any alcohol or narcotics in his "Medical Discovery," which contains the pure extract from roots and herbs without a particle of alcohol. Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for dyspepsia or debility. Biliousness is cured by the use of Dr. Pierce's Pleasant Pellets.

Nasal CATARRH

In all its stages.

Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

Cream Balm is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at Drug-gists or by mail; Trial Size, 10 cents.

ELY BROTHERS, 56 Warren Street, New York.

Sore Throat

Throat affections should never be neglected. Sore throat leads to Quinsy and Diphtheria. It is of vital importance to have a remedy at hand in the early stages of troubles of this nature. Many are the deaths that have resulted from a neglected Sore Throat.

Hamlin's WIZARD OIL

CURES THIS DISEASE QUICKLY AND EFFECTIVELY.

C. A. Bryant, of Annapolis City, Md., writes: "Last summer I suffered constantly with Sore Throat and had the best doctors I could get, but they gave me no relief. The first application of Hamlin's Wizard Oil gave me relief and by using it a few days I was entirely cured. A bottle of Hamlin's Wizard Oil is worth its weight in gold to any person."

Henry Wade, of Washington, D. C., writes, Sept. 4, 1900: "My wife suffered with Sore Throat for a year, and though she doctored and doctored nothing seemed to help her. I procured a bottle of Hamlin's Wizard Oil and it has done more good than anything in the world."

There is only one Wizard Oil—Hamlin's—name blown in the bottle. Signature "Hamlin Bros." on wrapper. Take no substitute. 50c. and \$1.00.

WAR IN THE EAST.

Information gleaned from between the lines of censored dispatches from correspondents at the front indicate that a great battle is imminent in the vicinity of Liaoyang. The main force of the Japanese army was yesterday about 35 miles from that place. Unless General Kuropatkin and his forces again retreat there will be a decisive engagement fought in that neighborhood.

The Japanese legation in London has information that a combined attack upon Port Arthur from the sea and the land may be expected about Friday or Saturday. The Japanese have now destroyed over 50 miles of the railroad between Liaoyang and Port Arthur.

The Japanese expect to occupy Port Dalny within a few days. Dalny is not fortified, the only fort in the vicinity being one midway between Tallienwan and Kinchow. After the destruction of the submarine mines at Tallienwan the Japanese intend to land additional troops there and commence an attack on Port Arthur.

There is a rumor that heavy fighting took place in the direction of Liaoyang Sunday. The reports of big guns were faintly heard east of Niuchwang at 5 o'clock yesterday morning.

Further details of the attack made May 14 by Chinese soldiers upon the railway coal mines occupied by the Russian administrative force near Port Adams show that the troops were the body guard of the Governor of Poochow, who led the attack in person and was attended by 15 Chinese officials. The Governor ordered the arrest and beheading of the Chinese miners. The Russians were stripped and driven off naked, their property was looted and 20,000 tons of coal was destroyed. A detachment of Japanese troops had passed the coal mines the previous day, but did not touch them, regarding them as private property.

Another conflict between Cossacks and Chinese bandits has occurred in the village of Chantaidzy. The bandits, it is stated, were led by four Japanese troopers. The Cossacks, numbering 33, lost 2 killed, and succeeded in killing 25 of the bandits, the remainder of whom escaped. The bandits used dum-dum bullets.

To Protect the Negro.

In the presence of a multitude of Louisianians gathered in the grounds of the State capitol at Baton Rouge yesterday Newton C. Blanchard was inaugurated as Governor and Jared Y. Sanders as Lieutenant-Governor.

In his inaugural address Governor Blanchard, speaking on law and order, said: "Mob law in contravention and defiance of law will not be tolerated. Lynchings will not be permitted under any circumstances if it be possible for the militia, at the command of the Governor, to prevent it. Sheriffs will be held to the strictest accountability possible under the law for the safety from mob violence of persons in their custody."

On the negro question the Governor said: "The negro is here. He is a man and a citizen. He is useful and valuable in his sphere. Within that sphere he must be guaranteed the equal protection of the law and his education along proper lines—mainly agricultural and industrial—is at once a duty and a necessity. He must be protected in his right to live peaceably and quietly, in his right to labor and enjoy the fruits of his labor. He must be encouraged to industry and taught habits of thrift. No approach toward social equality or social recognition will ever be tolerated in Louisiana. Separate schools, separate cars, separate churches, separate places of entertainment will be enforced. Racial distinction and integrity must be preserved. But there is room enough in this broad Southland, with proper lines of limitation and demarcation, for the two races to live on terms of mutual trust, mutual help, good understanding and concord. The South asserts its ability to handle and solve the negro question on humanitarian lines—those of justice and of right. We brook no interference from without. It is up to the South to so handle and solve it as to furnish no occasion for such interference."

A Starting Test. To save a life, Dr. T. G. Merritt, of No. 1400, says, "I used a starting test resulting in a wonderful cure. He writes, 'A patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles, so I prescribed them. The patient gained from the first, and has not had an attack in 14 months.' Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at E. S. Leadbeater & Sons."

An Open Letter. From the Chapin, S. C. News: Early in the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescribed for us, but his medicine failed to give any relief. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, Editor. This remedy is for sale by Richard Gibson and W. F. Creighton & Co.
